The Company Environmental Policy

Poplar Services Printers Ltd, acknowledge the environmental implications of its activities and will ensure that all operations are carried out in order to achieve a high standard of environmental, health and safety care.

The Directors of the Company fully recognise their duties with regard to compliance with relevant environmental legislation standards and regulations and will work towards the most effective methods, and adopt a position of responsibility by committing to a policy of continuous improvement and pollution prevention. This policy will be made available internally to our staff and externally to our suppliers and contractors. The policy is available to the public when requested. The policy will also be made available on the company's website.

The environmental impact of any awarded contracts will be fully considered as an integral part of "new business" policy.

AIMS

- Provide guidance on environmental management.
- Ensure compliance with all relevant legislation, regulations and standards.
- Monitor progress on a regular basis with a view to improve environmental performance.
- Annually review our progress and monitor our achievements against set targets and objectives.
- Communicate to our staff and any contractors working on site our environmental policy and environmental procedures

REDUCTION IN ENVIRONMENTAL IMPACTS THROUGH IMPROVEMENT VIA:

- Waste reduction of printing wastes.
- Ensure effective segregation of all paper, plastic, metal, card and wood etc.
- Recycling initiatives.
- 100% FSC purchased paper, wherever possible.
- Energy and water usage.
